From the Desk of Dr. Gonzalez:

Dear CATS family, As kids begin to get more comfortable we need to remember that this is when we have to lean on our socio-emotional strategies the most. Remember that your job is the most important thing. Do not engage students in a way that would jeopardize your position. We have plenty of support at our school. Our attendance has dropped significantly this last week. Please communicate the importance of attendance to students, specifically your advisory.

Goals:

1. Attendance
2. Professional Learning Communities
3. Assessment and Data
4. Increasing Rigor and Student Engagement

COUNSELING

CATS Family, we're in full swing of the fall semester, and now that the five-week progress report card has come out we will be meeting with students not only for igp purposes but also for any intervention they may be in need of. The sspteam has been meeting regularly, and have already held an sspt parent/student meeting; we already have identified the students whom we will be scheduling subsequent parent/student meetings with. Please know that your input is greatly needed and appreciated. You will continue to receive the feedback forms as we schedule students for their sspt--thank you for returning those feedback forms in a timely manner. Thank you for all that you do on a daily basis.

Gifted and Talented

Keep Calm & Think GATEHappy Weekend CATS GATE Team!! I hope you were able to get some self care. You're all doing a lot and It's appreciated. We can't do this alone. I'm hoping to have Kaplan's Depth of Knowledge Icon posters. What's that? Come and find out and explore them with us. We are planning to outfit our GATE site with this strategy, and our team will be the drivers. We'll be having a meeting during lunch on Monday, September 9th, in Rm C-202. We'll be getting more focused with some smart goals for the areas we found critical for our success. Areas such as Recruitment and support. Let's find those potential GATE students and identify the students we have. All staff members have a stake in this so let's get the word out.
